Garden Gate's Needlepoint Retreat - One of the Best Days of the Year!

Mark your calendars for
Sunday, October 4 for Garden
Gate's Fifth Annual Retreat. It is
a day full of needlepoint,

friendship and a whole lot of fun. We will be car-pooling to a cabin nestled in the foothills of Monrovia. The setting is beautiful, peaceful, and a perfect place to spend the day stitching.

We will start the day by having breakfast and then needlepoint instruction by our fabulous instructor Gracie Robinson. Lunch will be served (Green Street catering, of course) and then we will have in-house shopping. Cheryl Schaeffer (the designer and artist of our Retreat piece), Sally London (from Rainbow Gallery) and Judi (our resident needlepoint finisher) will be joining us for the day. After the shopping break, Gracie will finish teaching our project. The project is here at The Gate for you to see.

This is day not to be missed! Space is limited and we are already half filled for seating. The cost of the day is \$125 which includes your canvas, fibers, breakfast, lunch, and expert instruction. We have a sign up sheet here at the Shop and a \$45 deposit will hold your seat.

Our Needlepoint Cruise is Becoming a Reality!

Mark Your Calendars for February 2010

Gracie, Shelley and Donna have been planning an escape for a needlepoint cruise. Cheryl has already designed our project and it is darling. The piece measures 8x8 and fits into a Stirling leather tote bag. Cheryl told us she researched colors and design and has already started painting. Lucky us! Watch for more details in the coming months.

Associated Talents Trunk Show

We are hosting an Associated Talents trunk show from Friday, July 10 through Saturday, August 1. Carol, one of the designers from AT, has assured us that she will pack the show full of their most popular designs. They cover every major holiday, home decor and beautiful floral designs. The line includes large Easter baskets, eggs and funky Christmas ornaments. Stop by and see what is new and exciting in the needlepoint world.

Speaking of E-mail...

Let us know your email address so we can keep you in the loop of what's happening at Garden Gate.

We're thinking of having "E-mail Specials" so the only way you would find out is via your computer...

This is also a great way for Judi to contact you if she has a question on your project that she is finishing. She can e-mail pictures of ideas and thoughts she has and this way you know if she is on the same page as you are.
