Fall 2009

Carol Cugno & Friends

Rosalie Peters Trunk Show

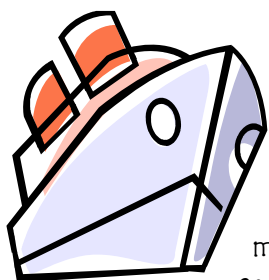

Grab the measurements for those cute, little footstools that you have always wanted to stitch a top for. Rosalie has some great florals that will adapt to these items perfectly. Her line is full of wonderful floral patterns painted in soft colors. Rosalie is an avid stitcher as well as a designer and therefore her work is "stitch counted." That means there is no guessing where the thread goes or what color goes where. See you at The Gate!

Ornament of the Month Club

Cheryl Schaeffer and our own Shelley Mullin have teamed up to create an Ornament Of The Month Club exclusively for Garden Gate. Cheryl has designed 12 beautiful ornaments that Shelley is busy stitching. She's also creating stitch guides for these little gems. We will be creating your own little kids for these monthly ornaments up with fibers and guides. If you are interested, drop us an email or stop by The Gate and sign up.

Cruising.....

The Dynamic Duo are at it again. Cheryl has designed a project for our Cruise in 2010. Shelley has almost finished stitching our Cruise Canvas. This canvas will perfectly in a leather Stirling handbag. Our fabulous finisher Judi has a couple of other terrific finishing ideas too. Besides stitching with Shelley, Judi will be instructing a seminar on finishing and making twist cords and tassels. She has a couple of fun ideas up her sleeve. Gracie is coordinating this Cruise with a travel agent and they are working out the details now. If you are interested please sign up so we can get a handle as to what we can expect. This will be a relaxing and great way to spend a long weekend with friends doing what we like best..stitching.
